

ACCESSORIES CATALOG

A complete line of accessories specially designed for use with your Giraffe® OmniBed® and Giraffe® Incubator.

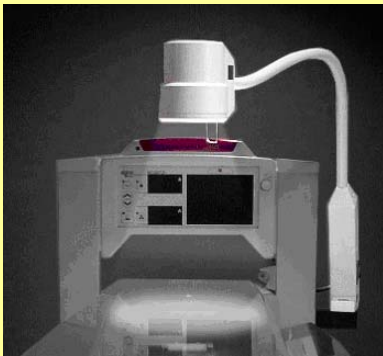

Giraffe Spot PT Lite™ Phototherapy System

- Focused light provides high intensity phototherapy (30 – 40 $\mu\text{W}/\text{cm}^2/\text{nm}$)
- Cooler spot light minimizes effect on incubator or baby's temperature
- Long-lasting metal halide bulb provides up to 2500 hours life
- Mounts to any Ohmeda Medical unit equipped with dovetail rail system, including Giraffe, Care Plus, Panda Baby Warmer or Ohio Infant Warmer System

Giraffe Monitor Shelf

- Mounts to dovetail rail behind control panel to provide space for monitors and other accessories
- Holds up to 50 lbs (22 kg)
- Size: 12 in x 26 in (30.5 cm x 66 cm)

Giraffe Exam Light

- Two brightness switch for high or low light intensity
- May be plugged directly into Giraffe or wall outlet
- Adjustable gooseneck positions light anywhere you need it
- Mounts to any Ohmeda Medical unit equipped with dovetail rail system, including Giraffe, Care Plus, Panda Baby Warmer or Ohio Infant Warmer System

Rotating Dovetail Rail Extension

- Increases the amount of available mounting space
- Ideal for suction and oxygen therapy products and other lighter equipment
- Holds up to 11 lbs (5 kg)

Giraffe Instrument Shelf

- Swivels for ease of positioning and mounts to dovetail rail for smaller accessories
- Holds up to 20 lbs (9 kg)
- Size: 12 in x 12 in (30.5 cm x 30.5 cm)

Rotating IV Pole (Adjustable Height)

- May be loosened and rotated behind the bed allowing the bed to fit through the door
- Mounts to any Ohmeda Medical unit equipped with dovetail rail system, including Giraffe, Care Plus, Panda Baby Warmer or Ohio Infant Warmer System
- Holds up to 20 lbs (9 kg)
- Min. length: 37 in (94 cm); Max. length: 64 in (163 cm)

**Easy-Load
E-Cylinder
Holder**

- Allows cylinders to be replaced easily without lifting the length of the tank
- Mounts to any Ohmeda Medical unit equipped with dovetail rail system, including Giraffe, Care Plus, Panda Baby Warmer or Ohio Infant Warmer System

Corner Trays

- Fit securely into mattress translation deck for storing small supplies
- Two trays included per pack

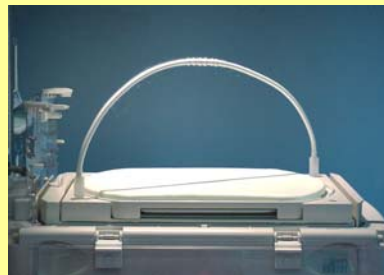

**Tubing
Management
Arm**

- Secures tubes and lines to reduce stress on infant
- Accepts multiple size vent tubes and lines
- Can be placed in any corner of mattress deck

Hood Cover

- Custom designed cover protects infant from light and sound
- Side flaps allow easy access to doors without removing cover
- Top flap provides opening for phototherapy
- Flame retardant and machine washable

**Silo Support
Arm**

- Designed to suspend gastroschisis silos or other care items over a baby

**High
Frequency
Oscillatory
Vent (HFOV)
Porthole
Cover**

- Helps maintain temperature, humidity, and O2 levels during HFOV use

**Fitted
Mattress
Sheet**

- Fitted sheet designed to conform to rounded mattress
- Flame retardant and machine washable
